# WHY PARTNERING WITH SS8 GIVES YOU A **COMPETITIVE EDGE**

## Trusted Experts

SS8's driving mission is to help protect societies. And for nearly 25 years, we have been delivering solutions to do that. Our industry leading platforms are held to the highest level of U.S. Government and security standards and are supported by our global team of intelligence experts.

## Compliant Solutions

SS8 is an active member in 3GPP and ETSI and our products are on the leading edge of standards-based design. Our products are deployed around the world and meet rigorous regulations regardless of region.

## Scalable & Reliable

SS8 platforms are built today, but with tomorrow in mind for scalability and up time. Our platforms work in any network from 2G-5G and are deployable in the cloud (public or private) or in-network.

# SS8 SOLUTIONS

---

## Xcipro<sup>o</sup>

### COMMUNICATION SERVICES PROVIDERS

Xcipro assures communication service providers are compliant with government lawful interception requirements for all network generations. Our high-speed mediation platforms offer both passive and active interception to provide the most accurate data to intelligence agencies in real-time.

## Intellego<sup>o</sup> XT

### LAW ENFORCEMENT & INTELLIGENCE AGENCIES

Intellego XT provides superior monitoring capabilities and makes analyzing, enriching, and managing complex data sets simple. Our integrated solution also offers mapping and tracking capabilities to provide real-time forensic intelligence for actionable insights.

## LōcationWise

### EMERGENCY SERVICES COMPLIANCE

LocationWise is a highly precise, accurate, and reliable location-based services platform that enables fast mobile device location intelligence to help responders find emergency callers more quickly and maximize lives saved.

# ACCELER8 YOUR GROWTH

SS8's Acceler8 is designed to drive our partners' business forward with world-class lawful and location intelligence solutions for their government clients.

SS8's comprehensive partner program increases your revenue, sets your business apart, and delivers enhanced value to your clientele through our cutting-edge lawful and location intelligence solutions.

Together, we empower law enforcement and government intelligence agencies in their fight against crime and terrorism by offering real-time forensic insights and actionable intelligence to safeguard society.

Supported by SS8's team of experts, our partners have all the tools needed to deliver an enhanced, value-added product that drives revenue.
